## “ Your choice, Your way...you “DRIVE” the Agenda”

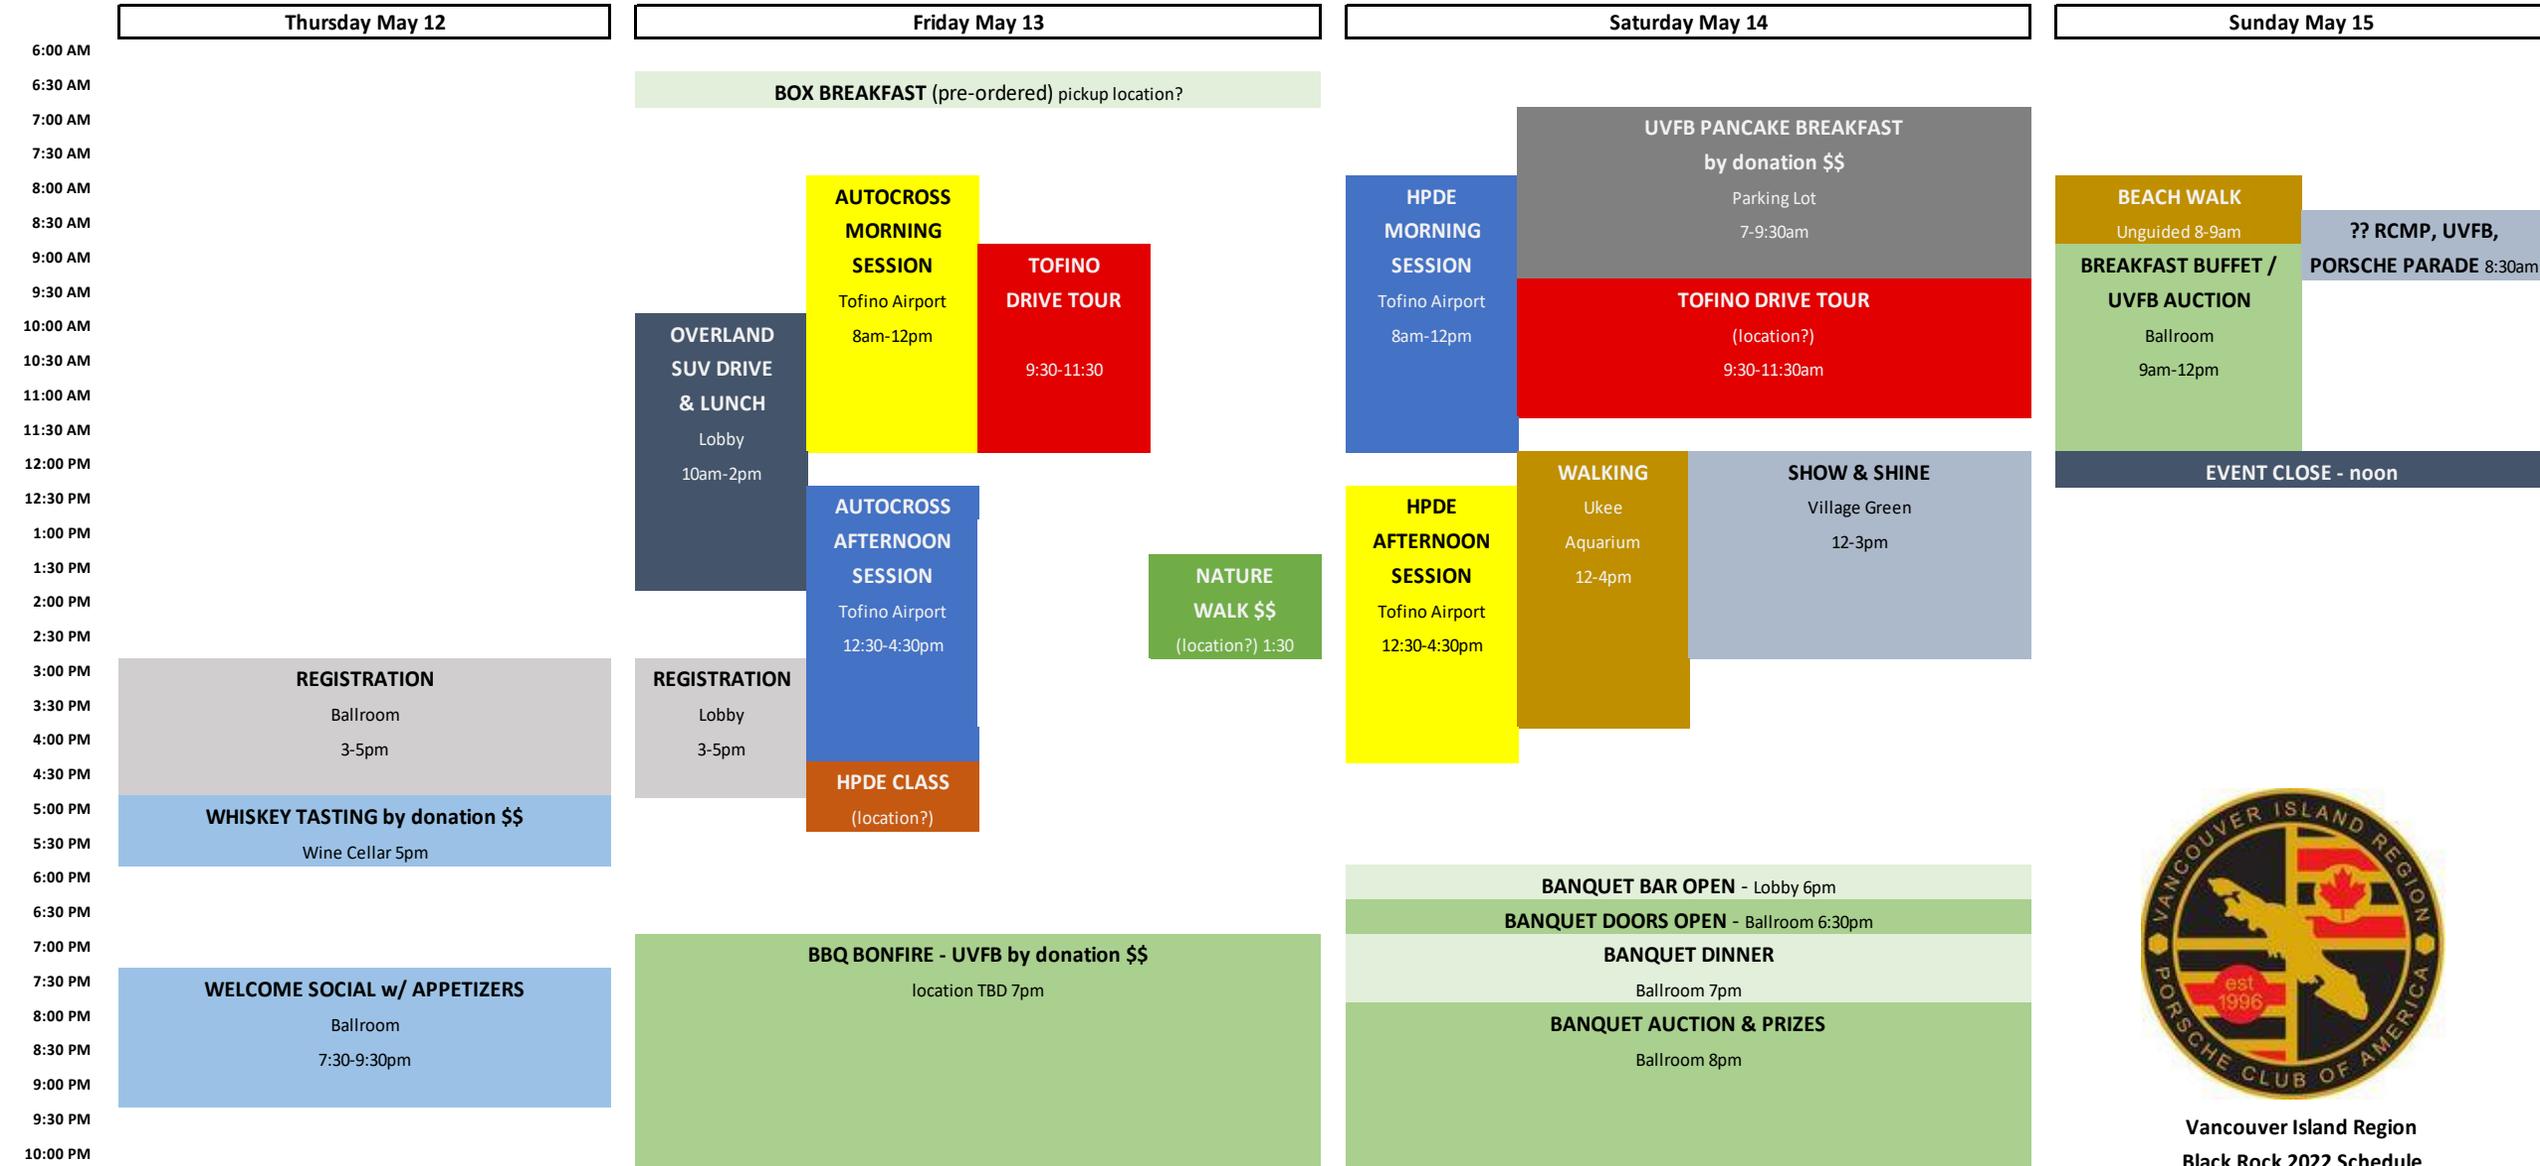

- Taking the input from the survey, the design of Black Rock 2022 offers a large “ menu “ of events that you can design for your own schedule of events and sign up for those activities on the MSR Registration site
- Expectation will be that all attendees will be “ expected “ to attend the TOTAL GROUP planned events including:
  - Thursday May 12 **OPENING WHISKEY TASTING & WELCOME SOCIAL**
  - Friday May 13 **BEACH BBQ /BONFIRE by UVFB** By Donation ( subject to PHO regulations)
  - Saturday May 14 **Early am Pancake Breakfast** ( by Donation)
  - Saturday May 14 **Banquet Mix and Mingle and Banquet Dinner**
  - Sunday May 15 **Porsche Parade with RCMP/UVFB**
- In addition, attendees will have the ability at Registration ( MSR) to customize and select your choices of exciting scheduled events from ½ day Auto Cross and HPDE, Organized Tofino Drive Tour ( 3 hours) , Show and Shine, Overland SUV tour , Guided Nature walk
- You will have the ability in MSR to plan and register for whatever “ blocks “ desire. How about head right away to the track with ½ day AutoCross on Friday (am) followed by ½ day HPDE on Saturday ( pm) and why don't you throw in a Tofino Drive Tour on your available Saturday (am)
- Or.....want to get to know the area better you could start with the Tofino Drive Tour on Friday ( am) , Head to Auto Cross on Friday (pm) and add HPDE on Saturday ( am) ....the choice is yours.
- Or....cant get enough of the track...your choice if you sign up for BOTH Auto Cross sessions on Friday and BOTH HPDE sessions on Saturday....its your schedule
- Or.....take it easy and join both Tofino Drive Tours and spend the day at one of the world's famous beaches
  - .....we think you get the idea

**ATTACHED for your review is the planned SCHEDULE OF EVENTS ( subject to change due to PHO restrictions**
